CHIEFTAIN

The Cheiftain 1986

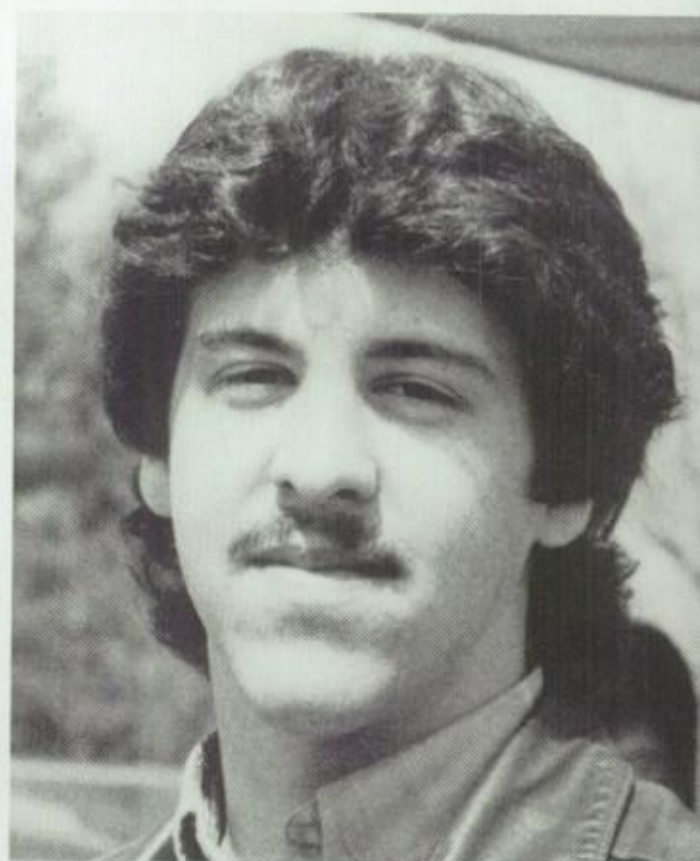

Everywhere there faces . . . some happy, some solemn with thought, some sad . . . but always they are there. Faces are sometimes mirrors which reflect what we see and sometimes windows that let others see in. Do we know the meaning of faces? Do we understand the stories they tell?

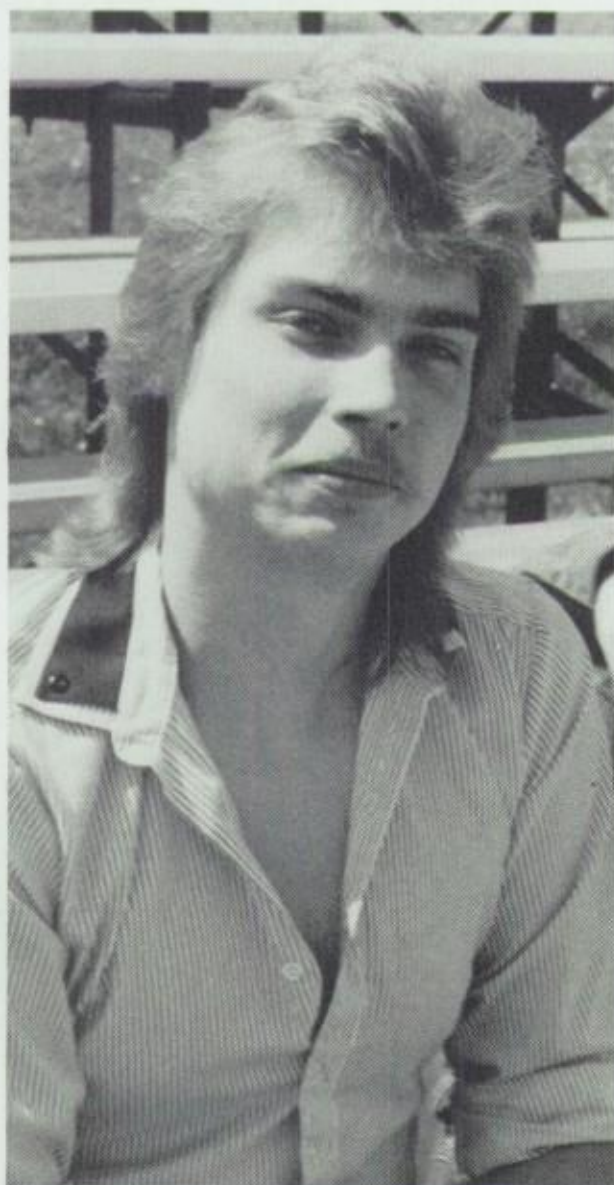

*Glasses and smiles . . . signs and sounds . . .
faces reflect them all. The faces tell the sto-
ry. The faces record its chapters.*

Faces . . . pleasant, surprised, posed, sleepy, and priceless. The faces of friends . . . caught in a moment . . . captured for our memory.

A TIME FOR GOOD BYES

This year brought the end to a long-standing tradition at Northwest, Mr. Nick Corral and Mr. Tom Healy. The community, along with the school has grown to know and love these two men. They showed them their appreciation by holding a Retirement Roast for them on May 30, 1986. Many faculty members, along with people of the community attended the Roast which was held at the Massillon Knights of Columbus Hall. Many old friends and co-workers of the pair, spoke at the dinner, including a slide show given by Mr. Balas and Mr. Hexamer.

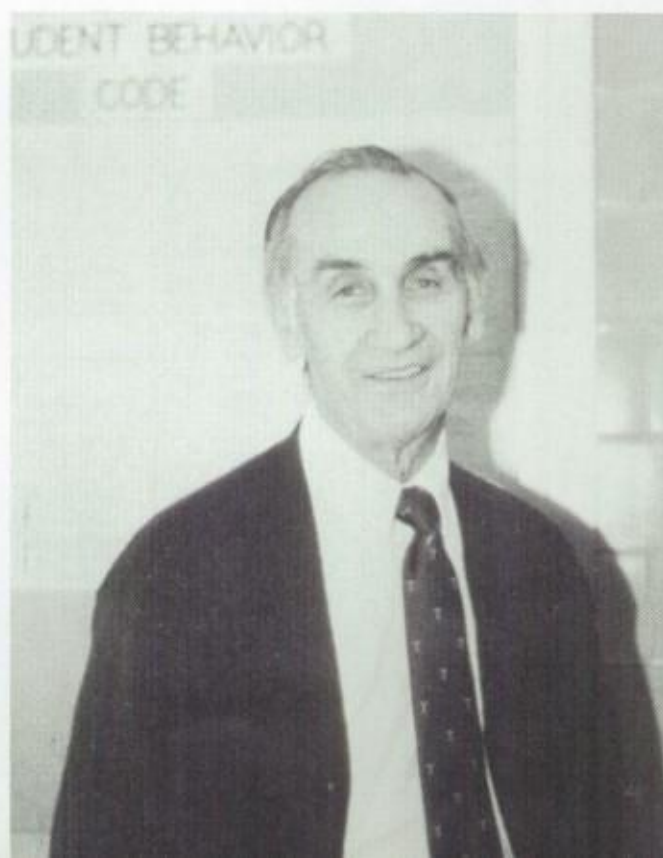

TOM HEALEY

Tom was born in Wellsville, Ohio on December 3, 1921. Growing up in this Ohio River town set the example of hard work in young Tom. Graduating in 1940 from Wellsville High School, Tom started working in the pottery plants of Wellsville and East Liverpool for the next two years until May of 1942 when he enlisted in the U.S. Navy. Tom spent the next four years serving his country during the Second World War in the South Pacific serving on two different destroyers. Tom was married to his high school sweetheart, Dorothy Scott, on October 31, 1945 in Wellsville. Tom continued his tenure with Uncle Sam until November of 1946 when he was honorably discharged.

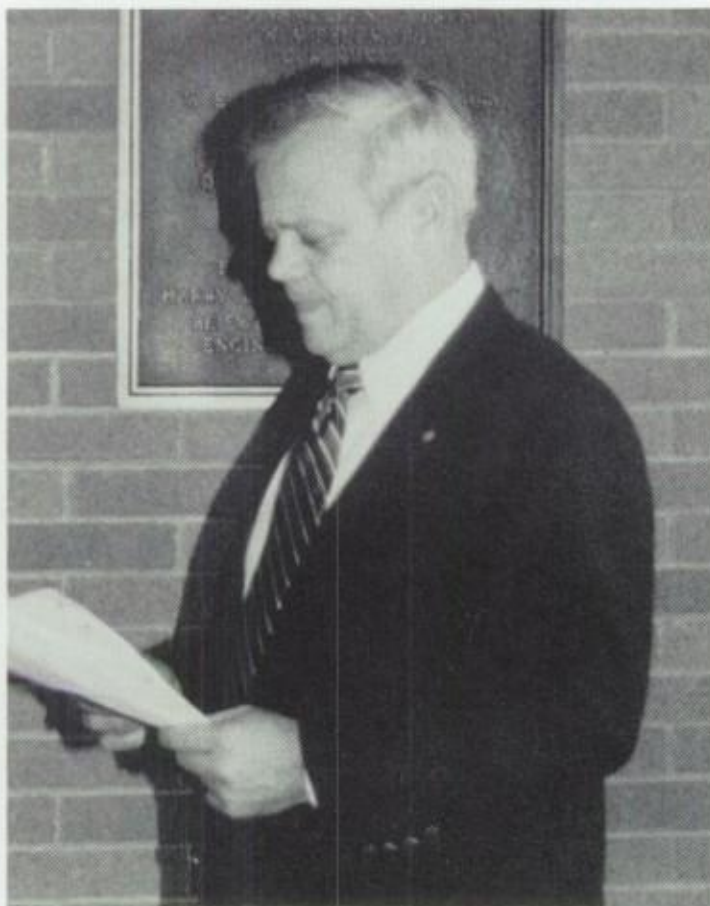

Tom and Dorothy had their first of eight children within a couple of years and now have in addition to the four children still at home, Alice, Fritz, Suzie and Rachel, children living in California (John), Massachusetts (Scott), Texas (Max), and North Carolina (Chris).

Tom entered Kent State in 1947, graduating 1950 and returned to his Alma Mater, Wellsville High School for the next seven years (five of which he served as head basketball coach.) Tom left the state for one year (going to Belle Vernon, Pennsylvania) to become their head basketball coach and teacher. He was summoned to Canal Fulton and Northwest High School in 1958 as social studies teacher, driver education teacher and head basketball coach. Tom left Northwest for three years (traveling all the way to Norht Canton) but couldn't stay away from good-old Northwest. In 1968, he once again served as head coach and faculty manager at Northwest! In 1971, Tom was appointed the school's first athletic director and has served in that capacity ever since.

Tom says his coaching highlight came in the 1960-61 basketball season when his Northwest squad made it all the way to the regional tournament where they wer beaten by the eventual state runner-up. The teams final record was an outstanding 21-3.

Nick was born on March 5, 1932 in Grant Town, West Virginia to immigrant parents from Spain. Nick attended school in Rivesville and Fairmont, West Virginia and graduated from Riversville High School in 1950. He entered the U.S. Air Force in 1951 and served for the next four years with Uncle Sam—two years in Libya. Upon his discharge in 1955, he entered Fairmont State College in Fairmont, West Virginia and graduated in 1958 with a degree in journalism and English. While enrolled at Fairmont, he met Nancy Belt whom he married on August 1, 1959. Nick and Nancy both obtained jobs in the Sandy Valley School system in the 1959-1960 school year where Nick taught English and Spanish and was the advisor to several clubs (school play, yearbook, etc.). After

one year at Sandy Valley, Nick and Nancy came to Northwest Local Schools in Canal Fulton where Nick once again taught Spanish and English. Their first child, Cathy, was born while in Canal Fulton, and a couple of years later, son John came along. Nick wanted to test the market in other areas and he and his family moved to Frederick, Maryland for one year where he and Nancy both taught. Nick returned to Northwest in 1965 where he and Nancy have been ever since. Nick has been principal at Clinton Elementary, W.S. Stinson, Northwest Intermediate and Northwest High School (also serving as assistant principal there). During this past year, Nick taught "Methods For Student Teaching" at Malone College in Canton.

Nick got very actively involved in the North Central Association-school accreditation system while at Northwest High School. He has served as co-chairman on numerous onsite evaluations of other area high schools and the past several years has been named to the position of "area coordinator" of the North Central Association Northeastern-Ohio regions. Nick has been quite actively involved in the Rotary Club of Canal Fulton and has been instrumental in helping them assert themselves as the academic booster club of Northwest High School.

The yearbook staff would like to thank Mr. Corral for all of his support and bid a fond farewell to both Mr. Corral and Mr. Healey.

FOREIGN EXCHANGE

Northwest is fortunate to have the help of the Canal Fulton Rotary Club in the William Knight Foreign Exchange Program.. This year we were able to send Cristopher Prather, Lisa Kittle, Doug Buchanan, Andreea Leszek, Christine Nesitz, Chad Thompson, Sara Cameron, and Kristine Grafton overseas for the school year.

SENIORS JAM AND CRAM

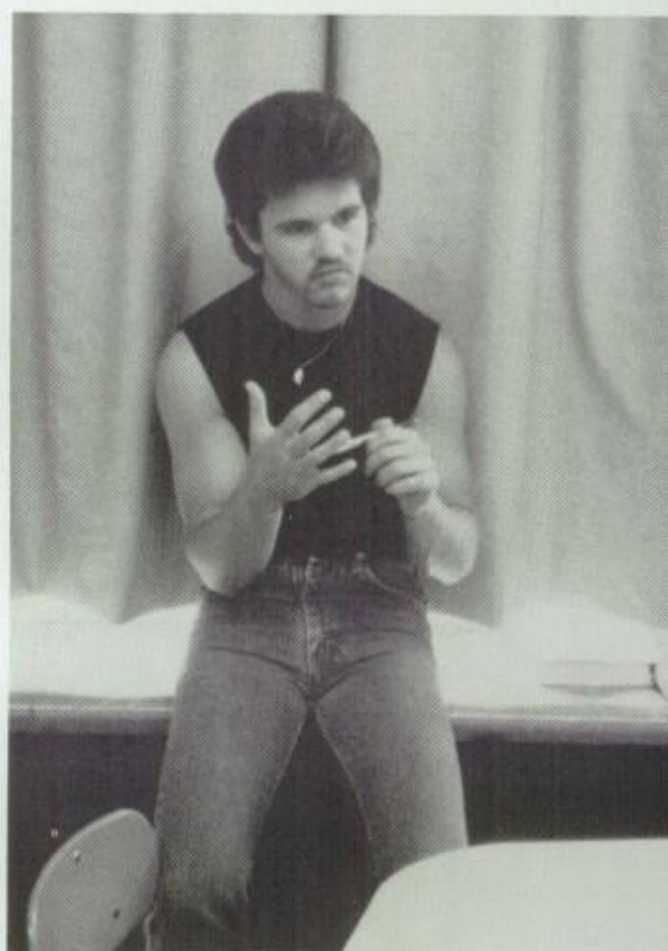

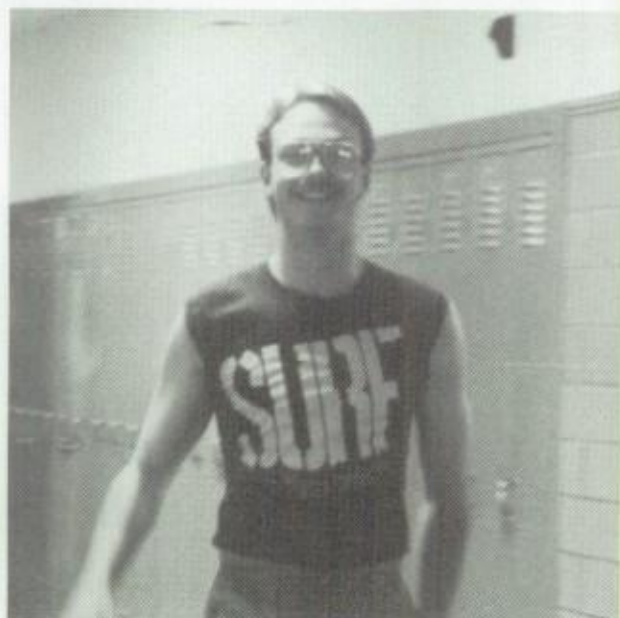

With a loosening of the student dress code, "Jams" were permitted in school. Here we see some "surfers", the Senior Women Dress-up Day, and, yes, even some students.

SENIORS

Left-Sean Stephan struts his stuff. Below-Rick Sieminski ponders over what to have for lunch. Right-Todd takes a break from his studies. Bottom Left-Barbie and Kessie get dressed for Halloween. Bottom Right-Dave Notch at his usual antics-whatever they are!

As you can see this years Senior class was up to a great deal of unusual things-probably because of the great deal of unusual people. None of them will ever forget their Senior year or the events that took place during it.

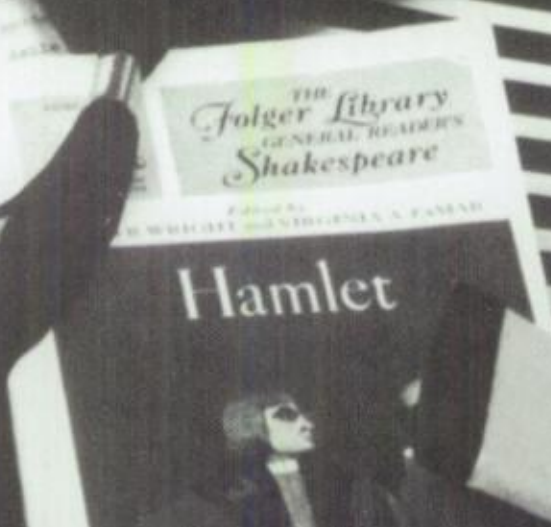

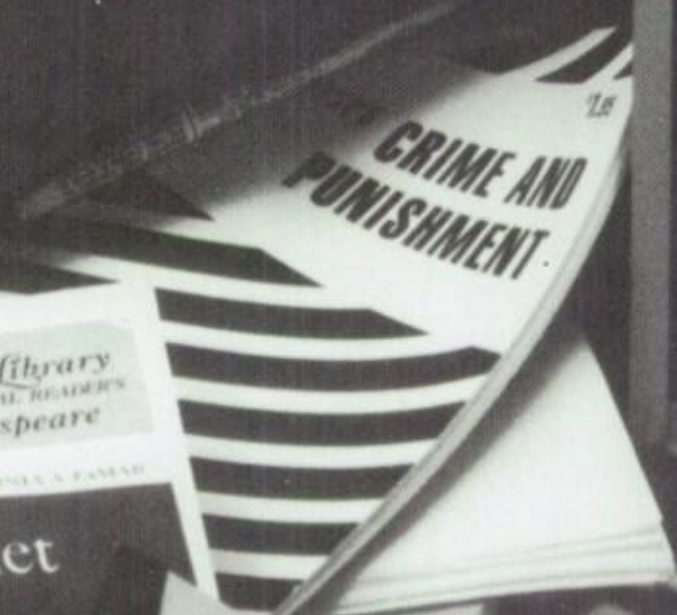

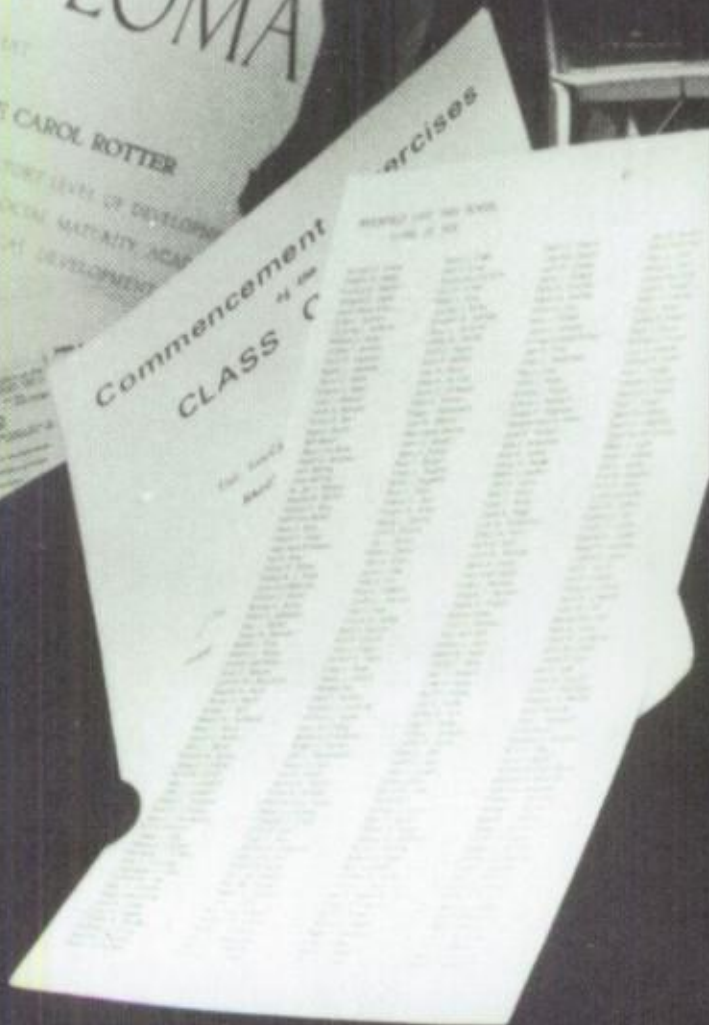

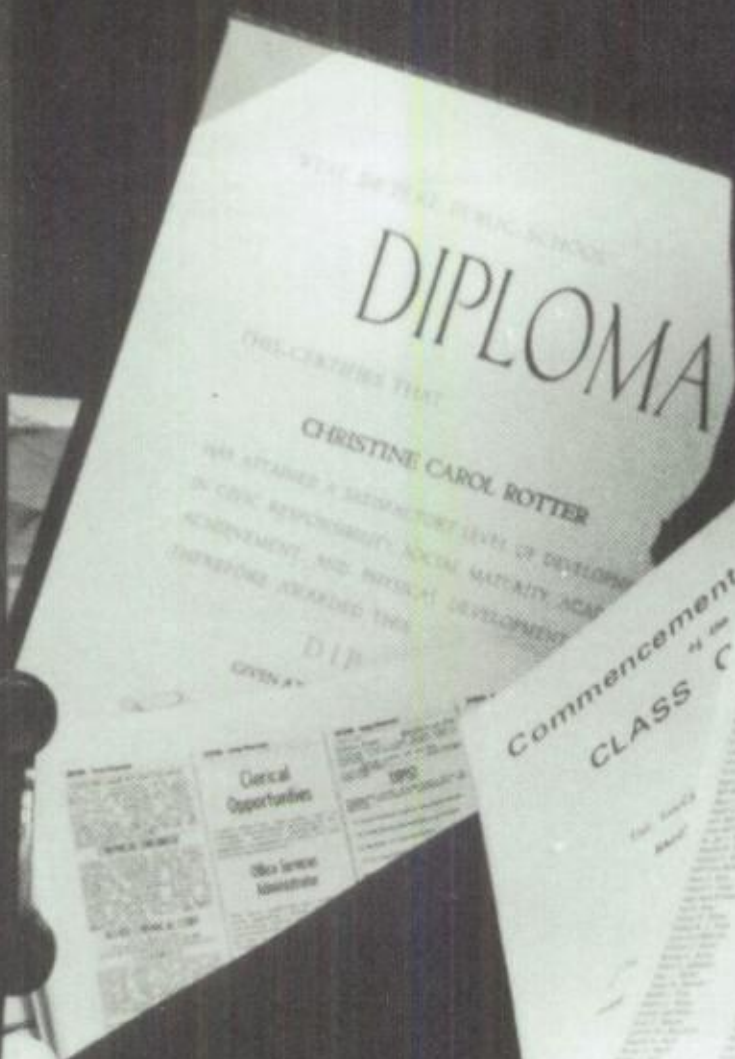

Below-The 1986 Senior Class Officers: Pres-Ed Metzger, VP-Jon Peterson, Sec-Tracy Price, Tres-Gina Boley.

Far Right-Sundae and Carla enjoying their lunch.

Sara Cameron, now back from Brazil, and Jimmy Slates help out at Arena Scheduling, as part of a National Honor Society activity. Bottom Left- Jerry talks to some underclassmen at Arena Scheduling.

SENIORS

*As we end this chapter of our lives,
we look forward to new challenges.
As Class Valedictorian, Brian Riffle
stated in his speech, "You aint' seen
nothin' yet!"*

*Graduation speeches, cakes, parties, tears,
and new beginnings.*

IT'S TIME FOR MOVIN' ON MY FRIEND- GRADUATION '86

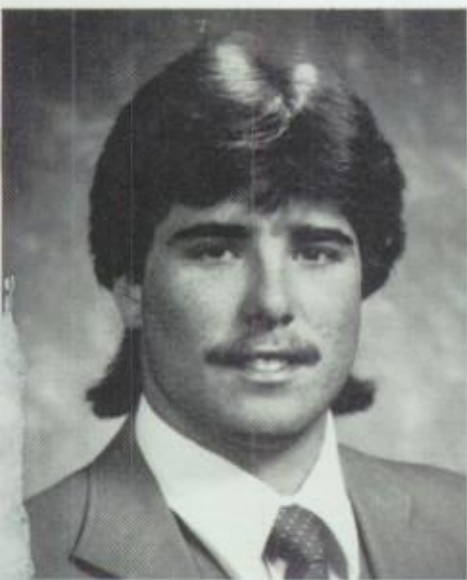

It seems like only yesterday that we were scared freshmen going to orientation, but today it's commencement time. The song, "It's time for movin' on, my friend" does seem to say it all. The class of '86 meets for the last time to ponder the future and contemplate the past. We share memories with those we have known for twelve years of school, say our goodbyes and move onto another plateau of life.

Class Valedictorian, Brian Riffle, along with class salutatorians, Edward Metzger, Laura Frost, Kessie Stewart, and Brent Riffle, shared their thoughts on graduation with the class. Reverend Gregory Nettle, himself a Northwest Graduate, delivered the Benediction and address.

ACTIVITIES

The 1985 Fall Variety Show on November eighth proved to be the biggest and most successful show ever. The event included musical acts by Jimmy Slates and Jenny Maurer, Carmen Witte, Roxy De-Pue, The Northwest High School Choir, Tribal Tones, and many others. Nonsense and comedy added just the right amount of flair.

VARIETY SHOW

SWEETHEART DANCE

The annual Sweetheart Dance was held in conjunction with the celebration of St. Valentine's Day. The members of the sponsoring organization, the Y-teens, spent many hours decorating the gym to insure a festive setting for the evening. Queen Gina Boley and King Mike Lautenschleger were crowned at the highlight of the evening.

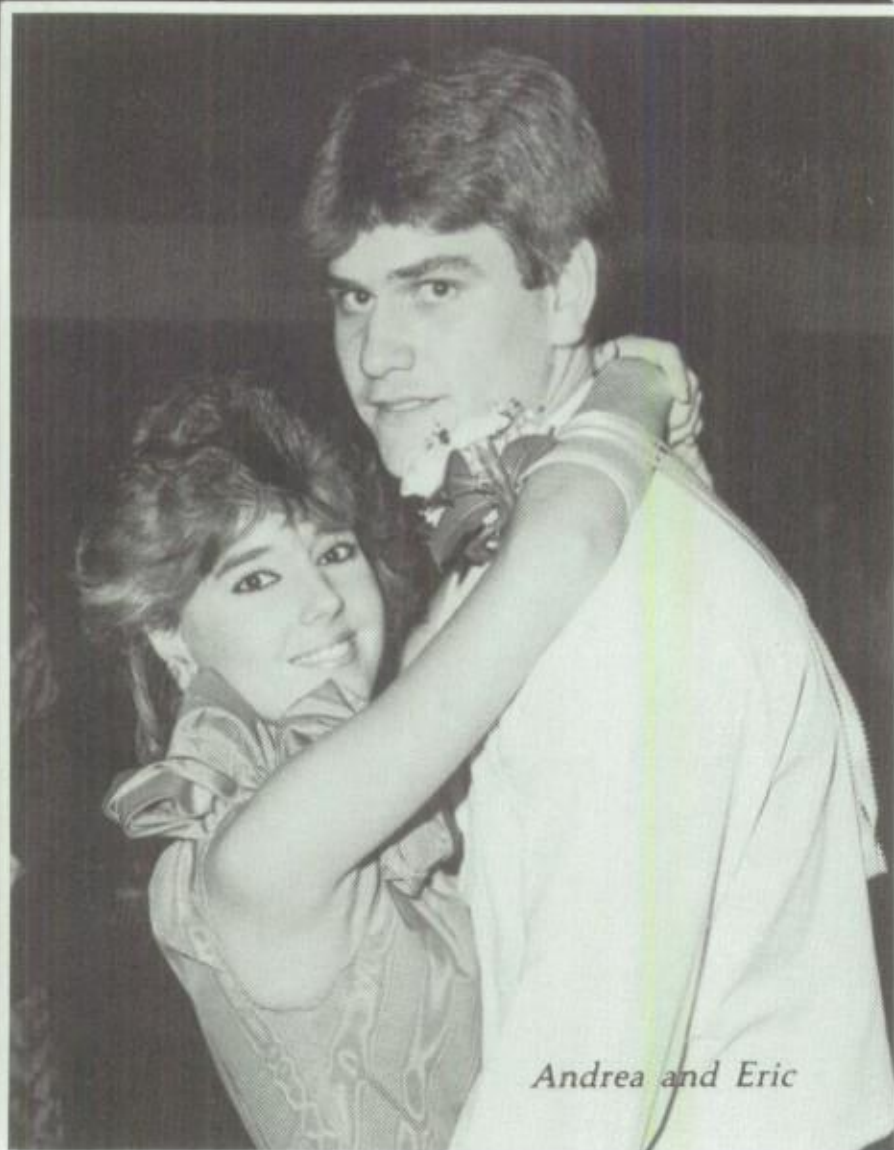

Student Council sponsored the annual homecoming dance in the high school gym on October 12. There was entertainment by the top 40 band, IV Play. The theme was "Cherish the Night." Our Queen was Tina Gibson with court: Michelle Smith, Andrea Neitz, Tina Shuckert, Linda Currin.

ATHLETICS

TEAM EFFORT

Pictured are: Front row-Bryan Neuhauser, Colin Trout, Bryan Filing, Todd Harley, Todd Gromes, Tony Traxler, Joe Boles, John Prexta, Scott Harris, Bob Culp and Dick Hardgrove. 2nd Row-Coach Langley, Brian Lukinac, Aaron McCoy, Mark Peters, Jeff Neuhauser, Derek Pullen, Jon Elvin, Jon Beck, John Hosgson, Mike Evans, Chris Mehl, Coach Jones. 3rd row-Coach McClaskey, Coach Nettleton, Gary McDonnell, Tim Earnsbarger, Don Harbaugh, Chris Miller, Dave McClaskey, Bryan Lindic, Dean Trumpower, Jeff Trout, Scott Ward, Head Coach Peltz. Back row-Tony Laterza, Kevin Williams, Vince Galbraith, Jeff price, Mike Kimler, Scott Veney, Rod Schembechler, Gary Graves, Matt Ogg, Scott Kovacsm Jim Bramlett, Don Johnson, Coach Schultz.

This year our team's record was an outstanding seven wins to three losses. The players achieved this due to excellent coaching staff consisting of Ed Peltz, Dave Langley, Steve Jones, Joe Shultz and Craig Nettleton; and most importantly by their tremendous change in attitude. Players committed themselves to the coaches and worked extremely hard in the weight room in conditioning during practice. This commitment transformed into victories and a very satisfying season. Some of these victories were against Lake when we upset them 15 to 8 at their field. Another one was against Sandy Valley who were 4th in the Computer Race.

Mr. Peltz feels that next year will be even better due to the returning of some fine athletes at skill positions. He also would like to thank his team and coaching staff "I honestly appreciate the extra effort and dedication that our coaches put into the season. Dave Langley, Steve Jones, Joe Shultz and Craig Nettleton worked very hard and never really complained, that really paid off. I am thankful to the assistant coaches, administration and players for their dedication and hard work."

The yearbook staff would like to thank Mr. Peltz for this input and we hope that next year he leads the Indians to another great season.

This year an event took place that was a first in Northwest High School Golf History. Through his tremendous talent and effort, Junior Mark Taylor won the AA Golf State Championship. This is also the first time in the history of Northwest, an individual has won a state title. Congratulations Mark, and to Coach Weckesser for his excellent coaching.

Coach Weckesser's coaching did not just rub off on m Mark, but on the entire team, as they won the Senate League Championship for the second year in a row.

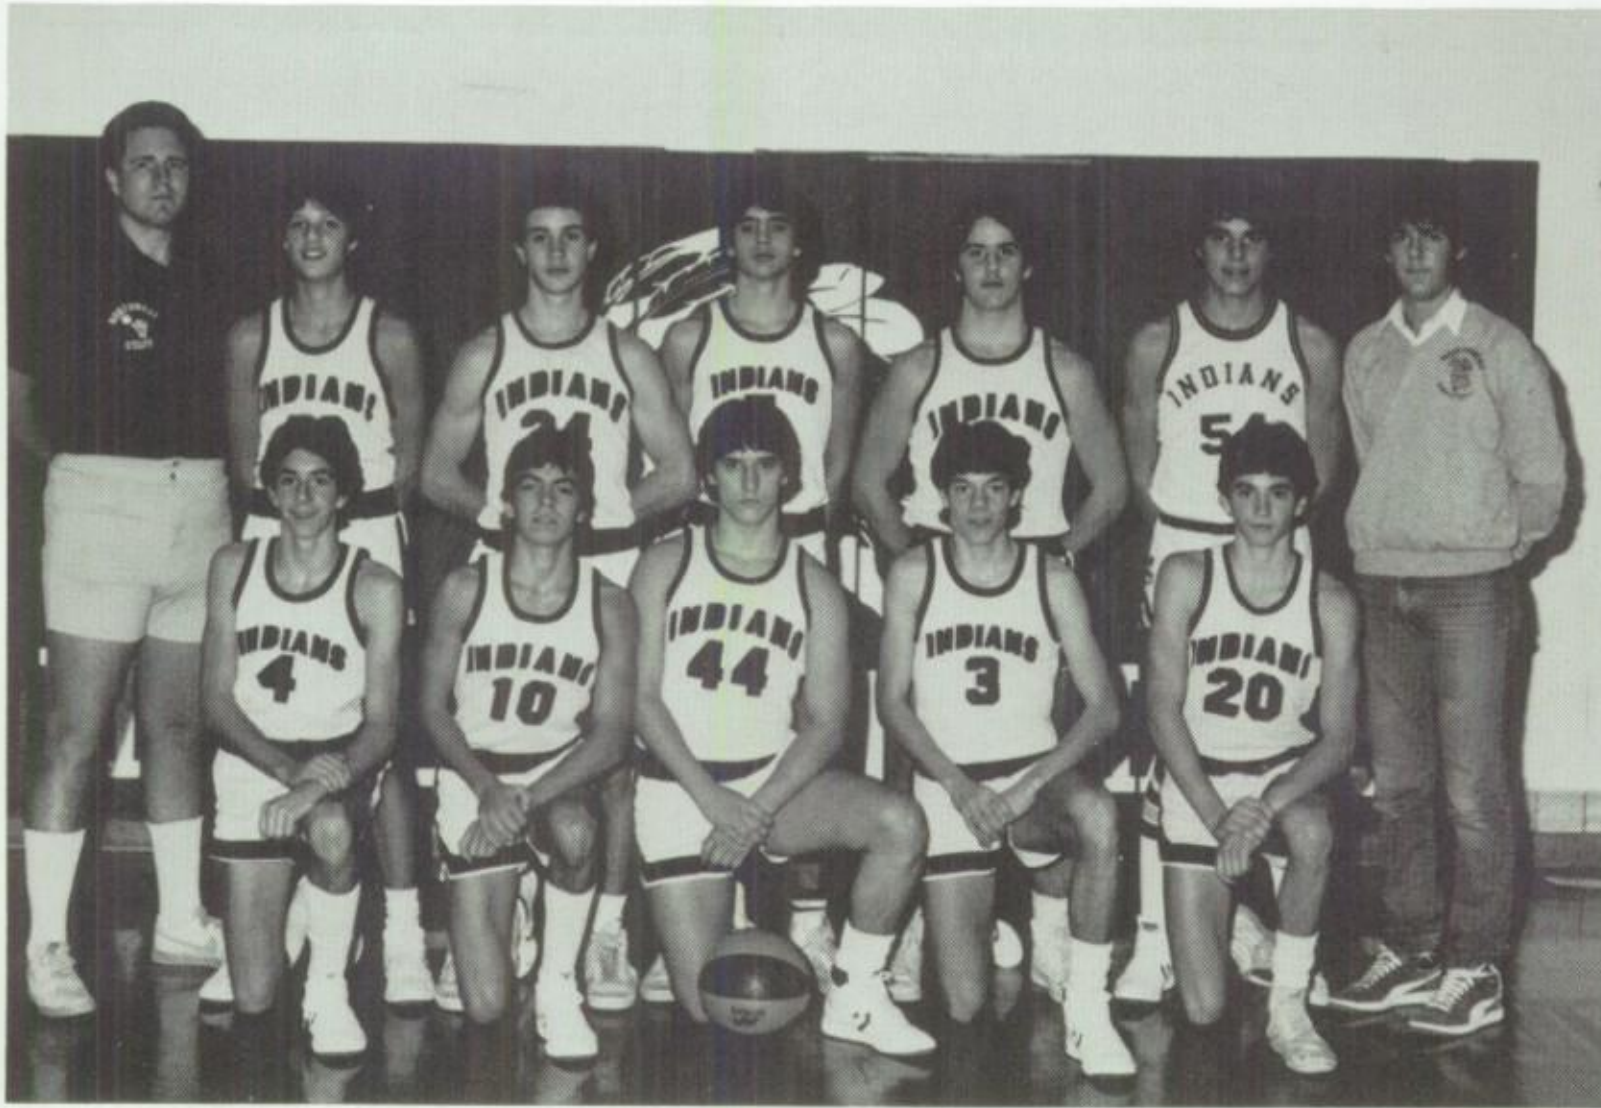

SOCCER

Soccer was a new interscholastic sport here at Northwest this year. For the first time, Northwest competed with other high school teams in an organized fashion. The fledgling team put forth fine effort of which they can be proud.

ORGANIZATIONS

FIDDLER ON THE ROOF

In one of the most memorable efforts in many years, the long-standing Broadway favorite was presented in our newly curtained auditorium. The scenery and performances were well prepared under the watchful guidance of Mrs. Priscilla Oates, Musical Director and Mr. Russell Sherhag, Dramatic Coach

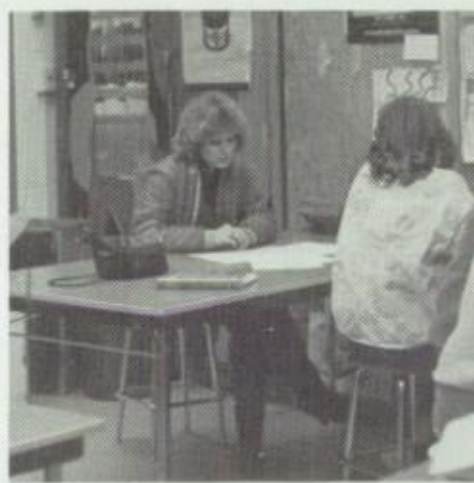

David Notch as Tevye mixed homespun philosophy with humor in the male lead. Far Left: Greg Martin and Kim Dills commiserate the fates of Tevye's daughters.
